2. AUTHOR DECLARATIONS

- ☐ The manuscript is original and has been prepared by the listed author(s).
- ☐ The manuscript has not been published previously and is not under consideration for publication elsewhere.
- ☐ All listed authors have made a meaningful contribution to the work and have approved the final manuscript.
- ☐ The author(s) have obtained appropriate permission for any copyrighted third-party material included in the manuscript.
- ☐ The manuscript does not knowingly contain plagiarized, fabricated, falsified, or unlawfully reproduced material.
- ☐ Any conflicts of interest, funding, acknowledgements, and relevant ethical approvals have been disclosed where applicable.

3. COPYRIGHT AND PUBLISHING LICENCE

The author(s) retain copyright in the manuscript and published work. By signing this agreement, the author(s) grant SRJ: International Journal of Scientific Research and its publisher, SRJ Publication and Research LLP, a non-exclusive, worldwide, royalty-free licence to publish, reproduce, distribute, communicate, archive, index, and make the article available in electronic and print formats, including through scholarly databases, repositories, indexing services, DOI registration systems, and the journal website.

This licence permits SRJ to format, typeset, convert, preserve, and technically modify the article as reasonably necessary for publication, accessibility, archiving, metadata creation, and distribution, without changing the substantive scholarly content of the work.

4. RIGHTS RETAINED BY THE AUTHOR(S)

- The author(s) retain ownership of copyright in the work.
- The author(s) may use the work for teaching, research, scholarly presentations, and academic purposes.
- The author(s) may include the work in a thesis or dissertation and in institutional or subject repositories, subject to applicable repository requirements.
- The author(s) may reuse their own material in future scholarly work, provided the original SRJ publication is appropriately acknowledged.
- The author(s) may share the published article in accordance with SRJ's current sharing and open-access policies.

5. THIRD-PARTY MATERIAL

The author(s) are responsible for securing permission to reproduce material owned by third parties, including photographs, illustrations, tables, figures, substantial quotations, or other protected content. The author(s) agree to provide evidence of permission when reasonably requested by SRJ.

6. EDITORIAL, ETHICAL, AND PUBLISHING RESPONSIBILITIES

Publication remains subject to SRJ's editorial procedures and applicable publication-ethics policies. The signing of this agreement does not guarantee acceptance or publication of a manuscript. SRJ may correct, retract, issue an expression
